CURRENT LAW

<u>A.R.S</u> § 4-241 details the proper identification required to purchase alcohol in Arizona as follows: an unexpired driver or nonoperating license from any state, the District of Columbia, any territory owned by the United States or Canada that has been reissued on or after the person's 21st birthday, unless it is within 30 days of the person's birthday. <u>A.R.S.</u> § 4-246 states that a person violating any provision in this title is guilty of a Class 2 misdemeanor (up to four months in jail, fine of \$750 plus surcharges).

A.R.S. § 28-3166 requires a driver license that has been issued prior to the individual's 21st birthday to be marked by a color, code or design to immediately distinguish it from other licenses. Additionally, the license of a person must also be marked with the year in which that person will turn 21.
